The College of Agriculture of GKU has been accredited by ICAR, New Delhi (2020) and Punjab Council for Agriculture Research (2021).

PURPOSE

This Memorandum of Understanding between Sortiq Solutions and Alpine Institute Of Engineering & Technology, Patiala envisages academic and professional collaboration for training, workshops, internships, research, and placement opportunities for students.

SCOPE OF COLLABORATION

Both parties agree to the following:

1. Organize online/offline **seminars, workshops, training programs, and placement drives** to enhance students' skills and industry readiness.
2. Provide **6-month industrial training/internships** to Alpine Institute Of Engineering & Technology, Patiala students at Sortiq Solutions Pvt. Ltd. under the guidance of experienced professionals.
3. Facilitate **faculty/student visits** for knowledge exchange and collaborative academic activities.
4. Encourage **joint research projects and publications** in emerging technology domains.
5. Share **resources, tools, and expertise** for capacity building and innovation.
6. Provide opportunities for **live project participation** to students for real-world exposure.
7. Collaborate on **cutting-edge technology training programs**, including AI, Machine Learning, Data Analytics, Cyber Security, Cloud Computing, Web/Mobile Development, and Digital Marketing.
8. Support **placement drives, pre-placement talks, and career guidance sessions** at Alpine Institute Of Engineering & Technology, Patiala.
9. Encourage **mentorship, resume-building, interview preparation, and soft skills training** for students.
10. Explore possibilities of **intellectual property generation** through collaborative research, with joint rights as per mutual agreements.

DURATION OF AGREEMENT

This MoU shall remain valid for **three (3) years** from the date of signing. Renewal/amendments will be made on mutually agreed terms between Sortiq Solutions and Alpine Institute Of Engineering & Technology, Patiala.

Warm Regards,
Priyanka
